No. E-84/17026
Electric Grid Offices,
Foreshore Road,
Bombay 1, 29th October 1948.

To

The Secretary to Government,
Public Works Department,
Bombay .

Subject:- Special pay -
Assistant or Deputy Engineers
attached to administrative offices etc.

Reference: Government Resolution, Public Works Deptt, No.5987/36, dated the 19th April 1944, on the subject indicated above, copy received with Government letter, Public works Department, No.5987/36-3(I), dated the 30th April 1948.

2. It is proposed to apply the orders issued in the Government Resolution mentioned above, to the Assistant Engineers attached to the various sections of the Electric Grid offices in Bombay, as the nature of work being done by them is similar to that of the Assistant/Deputy Engineers attached to the administrative offices in the Public Works Department.

3. At present, there are 5 sections in charge of Superintending an Senior Executive Engineers (the latter pending appointment of Superintending Engineers), viz., Hydro, Diesel & Steam (South Gujarat), Diesel & Steam (Nursery Schemes), Civil Engineering, Transmission and Commercial. As the Assistant Engineers attached to each of these sections satisfy the condition for the grant of the special pay of Rs. 50/-p.m., I request that Government may kindly be approached to accord their sanction to my proposal.

4. The allowance will be granted to the Assistant Engineer actually performing the duties assigned to the post, and the extra involved will be Rs. 300/-p.m.

5. I shall be obliged for the issue of early orders by Government.

The El. Commr's letter overleaf is self-explanatory. It is for consideration whether the El.Commr's proposal to grant a spl. pay of Rs. 50 p.m. to each of the Asstt. Engrs. attached to the offices of the S.Es. in the El. Grid may be accepted in U.O. consultation with the F.D.

Id/-
24/11/48.

El. Commr's organisation is not wholly similar to that of the P.W.D. I understand most of the Dy.Engrs. are working in the office and very few are working outdoor. It would therefore be difficult to ~~granted~~ sanction the spl. pay to only a few of the Dy.Engrs. working in the same office or more or or less similar duties.

Id/-
2/12.

On the analogy of the P.W.D., the allowances can only be available for offices like S.Es. and not to Senior Ex.Engineer, and that too for one Asstt. or Dy. Engineer.

I agree.

Finance Department (F).

From Secy's. recommendation it appears that the duties performed by Asstt. Engineers attached to the Offices of the Superintending Engineers only are similar to those performed by the Asstt. or Dy. Engineers attached to the Administrative offices of the P.W.D. and that it is proposed to grant the spl. pay to only one Asstt. or Dy. Engineer under each S.E. If so, the proposal may be agreed to .
